APPLICATION FOR IDENTIFICATION CARD REPLACEMENT (AIDR)

The Mico issues an ID card to each registered student at the beginning of his/her programme. This card is the official verification of the student's identity for access to academic and other services and for security purposes. ID card loss, theft, or damage is to be reported <u>immediately</u> to Admissions and Registration and a replacement sought. Note that replacement cards are provided only to <u>currently registered</u> students, upon presentation of this application form to the Office of The Mico Foundation. The complete form has verification of 1) registration status by Admissions and Registration and 2) payment of the requisite replacement fee at the Bursary.
